PELVILAX®

Relax and feel good!

With **PELVILAX®** - cushion mothers will be pleased sitting comfortable - not only when breastfeeding.

The top surface made from a special soft synthetic material is easy to clean and disinfect.

The cooling pad is simply inserted into the fleece bag - a completely clean solution.

Dimensions: [W x D x H]:
43.5 x 40 x 7 cm

The tried-and-tested cushion can be used with already existing breastfeeding chairs or with any other seat.

Due to the special shape of the cushion sitting pain caused by birth injuries will decrease immensely. The perineum will be relieved.

Pain relief for haemorrhoids.

Cooling pads makes you feel well.

The pelvic muscles recover. An additional tension - as with the former rubber ring seat - will be avoided.

Comfortable seated after birth
